

WARNING!

BE ON THE LOOKOUT FOR FAKE COVID-19 TEST SITES AND AT-HOME TEST KITS.

Scammers are selling fake, unauthorized at-home COVID-19 test kits and setting up fraudulent test sites in an effort to get your personal, financial, or medical information.

Make sure to purchase FDA-approved COVID-19 test kits from legitimate providers. If you aren't sure if a kit is legitimate, contact your doctor or local pharmacy to confirm.

If you go to a pop-up site or other testing facility, research the facility or testing site before you go. Contact your local health department to find a legitimate test site near you.

Ignore offers or advertisements for COVID-19 testing or treatments on social media sites.

If you suspect COVID-19 health care fraud, contact the SMP program at 877-808-2468 or call 800-HHS-TIPS (800-447-8477).
