Preventing Medicare Fraud

Medicare beneficiaries beware!

Scammers are calling, claiming your doctor asked them to call.

- They may spoof the caller ID to look like they are calling from your doctor's office.
- If your doctor wants you to have cardiac genetic testing, they will talk to you about it during an appointment.
- If you would like a knee, back, arm, or any other brace, please call your trusted doctor to set up an appointment to talk about your needs.

If you have gotten a call like this, report it to the SMP. Together we can prevent Medicare fraud.
