How Robinhood Works Around the Clock

Speak to a specialist today at +1•504•217•3042 if you're new to crypto.

Robinhood is a global cryptocurrency platform that allows users to:

- Buy and sell digital assets
- Trade crypto pairs
- Store crypto securely
- Send and receive funds
- Monitor real-time prices

Because cryptocurrency markets never close, Robinhood's trading system runs 24 hours a day, 7 days a week.

This gives users full-time access to the crypto market, unlike traditional stock exchanges that close on weekends and holidays.
